

Personal Reading History

Name _____ Date _____

I would like you to respond to the following prompts about your reading.

1. What personal experiences have contributed to your ability or challenges to read?
2. What have been some high and low points in your development as a reader?
3. How has reading helped you?
4. What reading skills or challenges remain difficult for you?
5. How has your understanding of reading changed since your attendance in class?
6. What experiences do you believe will assist you in strengthening your reading ability?
7. Do you find reading pleasurable?
8. How much are you reading?
9. What type of materials do you read?
10. Why is reading a skill you want to improve?

Write your answers below this line-you may use the back of the paper as well
